

SJ Elementary's Online Lunch Ordering

At St. Jean Elementary, we use the [hot lunches program](#), an online ordering system for parents to order hot meals and milk for their children as an alternative to sending a packed lunch from home.

Below is the food ordering process to be followed if your child wants to participate in the Food Program. We offer food services Monday to Friday every week and Milk/Chocolate Milk Monday to Friday.

All food orders are completed online on the Hotlunches.net website.

Parents must set up accounts. Information on how to do is available here: [Parent Instructions](#)

All payments must be received at the time of ordering. If the payment is not made at the time of ordering, the order will not be processed. **Your child's order and payment must be made by 9 a.m. on Friday.**

You can edit an order up until **Friday at 9:00 a.m.** prior to each order week (The system will give you a credit in the hotlunches.net account, which you can use on your next order). After that the menu is closed, no adjustments can be made to that week's order. If your child is sick or absent, and you wish to pick up your child's lunch, you must phone the school before 9 a.m. on that day to notify the teacher. If the school does not receive a call, his/her lunch order will be donated to another child in need.

Wednesday: Quiznos Subs (Check off options on the form) \$3.50

****Reimbursements are not possible when a child is absent because the vendors must be paid for the food they supply.***
